

Workbench Training Session

Using the IHTSDO Workbench in Collaborative Projects

Monday October 5th 2009

Morning Session 9:30 am to 12:30 pm

OR

Afternoon Session 1:30 pm to 4:30 pm

This is an interactive session showing how the Workbench can be optimized for use in collaborative projects. Reporting functionally within the Workbench will be demonstrated, and techniques for facilitating collaborative modeling will be discussed.

Presenters

Martin Newstead, Technical Consultant, Health Language, Inc.

Jane Cook, Director Content Management Health Language, Inc.

Corey Smith, Manager Product Development Health Language, Inc.

Who should attend?

- Staff involved in collaborative projects, including mapping projects and translation projects.
- Analysts, involved in developing and customizing workflows. Coding will not be covered.

What will I learn?

- How to Configure the IHTSDO Workbench to facilitate workflow.
- How to manage collaboration between team members within a project, using tools available within the Workbench.
- How to configure and run a workflow, based on an example project.
