

Proposed International Release Schedule for 2008 & 2009

Calendar of Key Release Milestones

Milestone	Date	Notes
April 2008 Spanish Release		
Internal Distribution	16-Apr-08	Spanish edition of January 2008 International Release distributed to IHTSDO Members
Public Distribution	30-Apr-08	April 2008 Spanish Release distributed to Affiliate Licensees
July 2008 International Release		
Database Close	14-May-08	Content development ends; only QA changes permitted after this date
Beta Release Distribution	04-Jun-08	Beta version of core terminology files distributed to IHTSDO Members for technical review
Beta Period Ends	18-Jun-08	Last date for IHTSDO Members to provide feedback on the Beta Release
Internal Distribution	02-Jul-08	Complete and final International Release distributed to IHTSDO Members
Public Distribution	31-Jul-08	July 2008 International Release distributed to Affiliate Licensees
October 2008 ICD-9-CM Cross Map Update		
Update Distribution	03-Sep-08	October 2008 update to the ICD-9-CM Cross Map distributed to Members and Affiliates
October 2008 Spanish Release		
Internal Distribution	15-Oct-08	Spanish edition of July 2008 International Release distributed to IHTSDO Members
Public Distribution	31-Oct-08	October 2008 Spanish Release distributed to Affiliate Licensees
January 2009 International Release		
Database Close	05-Nov-08	Content development ends; only QA changes permitted after this date
Beta Release Distribution	26-Nov-08	Beta version of core terminology files distributed to IHTSDO Members for technical review
Beta Period Ends	10-Dec-08	Last date for IHTSDO Members to provide feedback on the Beta Release
Internal Distribution	31-Dec-08	Complete and final International Release distributed to IHTSDO Members
Public Distribution	30-Jan-09	January 2009 International Release distributed to Affiliate Licensees

Milestone	Date	Notes
April 2009 ICD-9-CM Cross Map Update (if necessary)		
Update Distribution	04-Mar-09	April 2009 update to the ICD-9-CM Cross Map distributed to Members and Affiliates
April 2009 Spanish Release		
Internal Distribution	15-Apr-09	Spanish edition of January 2009 International Release distributed to IHTSDO Members
Public Distribution	30-Apr-09	April 2009 Spanish Release distributed to Affiliate Licensees
July 2009 International Release		
Database Close	13-May-09	Content development ends; only QA changes permitted after this date
Beta Release Distribution	03-Jun-09	Beta version of core terminology files distributed to IHTSDO Members for technical review
Beta Period Ends	17-Jun-09	Last date for IHTSDO Members to provide feedback on the Beta Release
Internal Distribution	01-Jul-09	Complete and final International Release distributed to IHTSDO Members
Public Distribution	31-Jul-09	July 2009 International Release distributed to Affiliate Licensees
October 2009 ICD-9-CM Cross Map Update		
Update Distribution	02-Sep-09	October 2009 update to the ICD-9-CM Cross Map distributed to Members and Affiliates
October 2009 Spanish Release		
Internal Distribution	14-Oct-09	Spanish edition of July 2009 International Release distributed to IHTSDO Members
Public Distribution	30-Oct-09	October 2009 Spanish Release distributed to Affiliate Licensees
January 2010 International Release		
Database Close	04-Nov-09	Content development ends; only QA changes permitted after this date
Beta Release Distribution	25-Nov-09	Beta version of core terminology files distributed to IHTSDO Members for technical review
Beta Period Ends	09-Dec-09	Last date for IHTSDO Members to provide feedback on the Beta Release
Internal Distribution	30-Dec-09	Complete and final International Release distributed to IHTSDO Members
Public Distribution	29-Jan-10	January 2010 International Release distributed to Affiliate Licensees

International Release Files

Beta Release (English-language release)

The Beta Release contains candidate terminology release files for an upcoming International Release, and allows IHTSDO Member organization to review and validate the technical structure and data integrity of the upcoming release. It is distributed as a single zipped archive file.

Beta Release (*SNOMED_CT_Beta_Release_yyyymmdd.zip*)

SNOMED CT Beta Release (directory)

Content (directory)

sct_concepts_yyyymmdd.txt

sct_descriptions_yyyymmdd.txt

sct_relationships_yyyymmdd.txt

Documentation (directory)

sct_subsetmembers_us_yyyymmdd.txt

sct_subsets_uk_yyyymmdd.txt

sct_subsetmembers_uk_yyyymmdd.txt

International Release (English-language release)

The International Release is distributed as two zipped archive files containing the *Essential Resources* and the *Optional Resources*. A third archive, the *Member Resources*, is not part of the International Release, but contains Microsoft Word versions of the documents from the release to facilitate translation and localization of the International Release by Member National Release Centers.

Essential Resources (*SNOMED_CT_Essential_yyyymmdd.zip*)

Essential Resources (directory)
